To the Representatives named in  
Schedule I hereto of the several

Schedule II hereto

Ladies and Gentlemen:

V.F. Corporation, a corporation organized under the laws of Pennsylvania (the "Company"), proposes to sell to the several underwriters named in Schedule II hereto (the "Underwriters"), for whom you (the "Representatives") are acting as representatives, the principal amount of its securities identified in Schedule I hereto (the "Securities"), to be issued under an indenture dated October 15, 2007 (together with a supplemental indenture to be dated as of April 23, 2020, with respect to the terms of the Securities, the "Indenture"), between the Company and The Bank of New York Mellon Trust Company, N.A., as trustee (the "Trustee"). To the extent there are no additional Underwriters listed on Schedule II other than you, the term Representatives as used herein shall mean you, as Underwriters, and the terms Representatives and Underwriters shall mean either the singular or plural as the context requires. Any reference herein to the Registration Statement, the Base Prospectus, any Preliminary Prospectus or the Final Prospectus shall be deemed to refer to and include the documents incorporated by reference therein pursuant to Item 12 of Form S-3 which were filed under the Exchange Act on or before the Effective Date of the Registration Statement or the issue date of the Base Prospectus, any Preliminary Prospectus or the Final Prospectus, as the case may be; and any reference herein to the terms "amend," "amendment" or "supplement" with respect to the Registration Statement, the Base Prospectus, any Preliminary Prospectus or the Final Prospectus shall be deemed to refer to and include the filing of any document under the Exchange Act after the Effective Date of the Registration Statement or the issue date of the Base Prospectus, any Preliminary Prospectus or the Final Prospectus, as the case may be, deemed to be incorporated therein by reference. Certain terms used herein are defined in Section 21 hereof.

1. Representations and Warranties. The Company represents and warrants to, and agrees with, each Underwriter as set forth below in this Section 1.

(a) The Company meets the requirements for use of Form S-3 under the Securities Act of 1933, as amended (the "Act"), and has prepared and filed with the Commission an automatic shelf registration statement, as defined in Rule 405 (the file number of which is set forth in Schedule I hereto) on Form S-3, including a related Base Prospectus, for registration under the Act of the offering and sale of the Securities. Such Registration Statement, including any amendments thereto filed prior to the Execution Time, became effective upon filing. The Company may have filed with the Commission, as part of an amendment to the Registration Statement or pursuant to Rule 424(b), one or more preliminary prospectus supplements relating to the Securities, each of which has previously been furnished to you. The Company will file with the Commission a final prospectus supplement relating to the Securities in accordance with Rule 424(b). As filed, such final prospectus supplement shall contain all information required by the Act and the rules thereunder and, except to the extent the Representatives shall agree in writing to a modification, shall be in all substantive respects in the form furnished to you prior to the Execution Time or, to the extent not completed at the Execution Time, shall contain only such specific additional information and other changes (beyond that contained in the Base Prospectus and any Preliminary Prospectus) as the Company has advised you, prior to the Execution Time, will be included or made therein. The Registration Statement, at the Execution Time, meets the requirements set forth in Rule 415(a)(1)(x).

(b) On each Effective Date, the Registration Statement did, and when the Final Prospectus is first filed in accordance with Rule 424(b) and on the Closing Date (as defined herein), the Final Prospectus (and any supplement thereto) will, comply in all material respects with the applicable requirements of the Act, the Exchange Act and the Trust Indenture Act and the respective rules thereunder; on each Effective Date and at the Execution Time, the Registration Statement did not and will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein not misleading; on the Effective Date and on the Closing Date, the Indenture did or will comply in all material respects with the applicable requirements of the Trust Indenture Act and the rules thereunder; and on the date of any filing pursuant to Rule 424(b) and on the Closing Date, the Final Prospectus (together with any supplement thereto) will not include any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that the Company makes no representations or warranties as to (i) that part of the Registration Statement which shall constitute the Statement of Eligibility (Form T-1) under the Trust Indenture Act of the Trustee or (ii) the information contained in or omitted from the Registration Statement or the Final Prospectus (or any supplement thereto) in reliance upon and in conformity with information furnished in writing to the Company by or on behalf of any Underwriter through the Representatives specifically for inclusion in the Registration Statement or the Final Prospectus (or any supplement thereto), it being understood and agreed that the only such information furnished by or on behalf of any Underwriter consists of the information described as such in Section 7(b) hereof.

(c) (i) The Disclosure Package and (ii) each electronic road show, when taken together as a whole with the Disclosure Package, do not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The preceding sentence does not apply to statements in or omissions from the Disclosure Package based upon and in conformity with written information furnished to the Company by any Underwriter through the Representatives specifically for use therein, it being understood and agreed that the only such information furnished by or on behalf of any Underwriter consists of the information described as such in Section 7(b) hereof.

(d) (i) At the time of filing the Registration Statement, (ii) at the time of the most recent amendment thereto for the purposes of complying with Section 10(a)(3) of the Act (whether such amendment was by post-effective amendment, incorporated report filed pursuant to Sections 13 or 15(d) of the Exchange Act or form of prospectus), (iii) at the time the Company or any person acting on its behalf (within the meaning, for this clause only, of Rule 163(c)) made any offer relating to the Securities in reliance on the exemption in Rule 163 and (iv) at the Execution Time (with such date being used as the determination date for purposes of this clause (iv)), the Company was or is (as the case may be) a Well-Known Seasoned Issuer. The Company agrees to pay the fees required by the Commission relating to the Securities within the time required by Rule 456(b)(1) without regard to the proviso therein and otherwise in accordance with Rules 456(b) and 457(r).

(e) (i) At the earliest time after the filing of the Registration Statement that the Company or another offering participant made *abona fide* offer (within the meaning of Rule 164(h)(2) of the Act) and (ii) as of the Execution Time (with such date being used as the determination date for purposes of this clause (ii)), the Company was not and is not an Ineligible Issuer (as defined in Rule 405), without taking account of any determination by the Commission pursuant to Rule 405 that it is not necessary that the Company be considered an Ineligible Issuer.

(f) Each Issuer Free Writing Prospectus and the final term sheet prepared and filed pursuant to Section 4(b) hereto does not include any information that conflicts with the information contained in the Registration Statement, including any document incorporated therein by reference and any prospectus supplement deemed to be a part thereof that has not been superseded or modified. (collectively, the “Anti-Corruption Laws”) including, without limitation, making use of the mails or any means or instrumentality of interstate commerce corruptly in furtherance of an offer, payment, promise to pay or authorization of the payment of any money or other property, gift, promise to give or authorization of the giving of anything of value to any “foreign official” (as such term is defined in the Anti-Corruption Laws) or any foreign political party or official thereof or any candidate for foreign political office, in contravention of the Anti-Corruption Laws; and the Company, its subsidiaries and, to the knowledge of the Company, its affiliates have conducted their businesses in compliance with the Anti-Corruption Laws and have instituted and maintain policies and procedures designed to ensure, and which are reasonably expected to continue to ensure, continued compliance therewith.

(bb) The operations of the Company and its subsidiaries are and have been conducted at all times in all material respects in compliance with applicable financial recordkeeping and reporting requirements and the money laundering statutes and the rules and regulations thereunder and any related or similar rules, regulations or guidelines, issued, administered or enforced by any governmental agency (collectively, the “Money Laundering Laws”) and no action, suit or proceeding by or before any court or governmental agency, authority or body or any arbitrator involving the Company or any of its subsidiaries with respect to the Money Laundering Laws is pending or, to the knowledge of the Company, threatened.

(cc) Neither the Company nor any of its subsidiaries, nor to the knowledge of the Company, any director, officer, agent, employee or affiliate of the Company or any of its subsidiaries is (a) currently the subject or the target of any sanctions administered or enforced by the U.S. government, the United Nations Security Council, the European Union or Her Majesty’s Treasury (collectively, “Sanctions”); (b) located, organized or resident in a country or territory that is the subject or target of Sanctions, including, without limitation, Crimea, Cuba, Iran, North Korea and Syria; or (c) owned or controlled by a target of Sanctions. The Company will not directly or indirectly use the proceeds of the offering or lend, contribute or otherwise make available such proceeds to any person or entity in any manner that will result in a violation by any person of Sanctions.

(dd) Since the end of the Company’s most recent audited fiscal year, there has been (i) no material weakness in the Company’s internal control over financial reporting (whether or not remediated) and (ii) no change in the Company’s internal control over financial reporting that has materially affected, or is reasonably likely to materially affect, the Company’s internal control over financial reporting.

(ee) Except as would not reasonably be expected to have a Material Adverse Effect, the Company and its subsidiaries own or possess, license or have other rights to use all patents, trademarks and service marks, trade names, copyrights, inventions, trade secrets, technology, know-how and other intellectual property, and all other registrations and applications to register any of the foregoing (collectively, the “Intellectual Property”) material to the conduct of the business of the Company as now conducted or as proposed in the Final Prospectus to be conducted.

(ff) Except as set forth in the Preliminary Prospectus and the Final Prospectus, (i) to the Company's knowledge, there is no material infringement by third parties of any such Intellectual Property; (ii) there is no pending or, to the Company's knowledge, threatened action, suit, proceeding or claim by others challenging the Company's rights in or to any Intellectual Property owned by the Company or any of its subsidiaries (the "Company-Owned Intellectual Property"), and the Company is unaware of any facts which would form a reasonable basis for any such claim, except such as are not reasonably likely to have a Material Adverse Effect; (iii) to the Company's knowledge, there is no pending or threatened action, suit, proceeding or claim by others challenging the validity or scope of any Company-Owned Intellectual Property, and the Company is unaware of any facts which would form a reasonable basis for any such claim, except such as are not reasonably likely to have a Material Adverse Effect; and (iv) there is no pending or, to the Company's knowledge, threatened action, suit, proceeding or claim by others that the Company or any of its subsidiaries infringes or otherwise violates any patent, trademark, copyright, trade secret or other intellectual property rights of others, and the Company is unaware of any other fact which would form a reasonable basis for any such claim, except such as are not reasonably likely to have a Material Adverse Effect.

(gg) Except as would not reasonably be likely to have a Material Adverse Effect, (i) the Company and its subsidiaries' information technology assets and equipment, computers, systems, networks, hardware, software, websites, applications, and databases (collectively, "IT Systems") are adequate for, and operate and perform in all material respects as required in connection with, the operation of the business of the Company and its subsidiaries as currently conducted, and, to the Company's knowledge, such IT Systems are free and clear of all material bugs, errors, defects, Trojan horses, time bombs, malware and other corruptants; (ii) the Company and its subsidiaries have implemented and maintained commercially reasonable policies, procedures, and safeguards to maintain and protect their material confidential information and the operation and security of all IT Systems and data, including all personal, personally identifiable, sensitive, confidential or regulated data ("Personal Data"), stored therein or transmitted thereby, and, to the Company's knowledge, there have been no breaches, violations, unauthorized uses of or unauthorized accesses to the same, except for those that have been remedied without material cost or liability or the duty to notify any other person; and (iii) the Company and its subsidiaries are presently in material compliance with all (A) applicable laws or statutes and all applicable judgments, orders, rules and regulations of any court or arbitrator or governmental or regulatory authority in any jurisdiction, (B) internal policies and (C) contractual obligations, in each case relating to the privacy, protection and security of Personal Data.

(hh) No forward-looking statement (within the meaning of Section 27A of the Act and Section 21E of the Exchange Act) included or incorporated by reference in any of the Disclosure Package or the Final Prospectus has been made or reaffirmed without a reasonable basis or has been disclosed other than in good faith.

Any certificate signed by any officer of the Company and delivered to the Representatives or counsel for the Underwriters in connection with the offering of the Securities shall be deemed a representation and warranty by the Company, as to matters covered thereby, to each Underwriter.

2. Purchase and Sale. Subject to the terms and conditions and in reliance upon the representations and warranties herein set forth, the Company agrees to sell to each Underwriter, and each Underwriter agrees, severally and not jointly, to purchase from the Company, at the purchase price set forth in Schedule I hereto the principal amount of the Securities set forth opposite such Underwriter's name in Schedule II hereto.

3. Delivery and Payment. Delivery of and payment for the Securities shall be made on the date and at the time specified in Schedule I hereto or at such time on such later date not more than three Business Days after the foregoing date as the Representatives shall designate, which date and time may be postponed by agreement between the Representatives and the Company or as provided in Section 8 hereof (such date and time of delivery and payment for the Securities being herein called the "Closing Date"). Delivery of the Securities shall be made to the Representatives for the respective accounts of the several Underwriters against payment by the several Underwriters through the Representatives of the purchase price thereof to or upon the order of the Company by wire transfer payable in same-day funds to an account specified by the Company. Unless the Representatives shall otherwise instruct, delivery of the Securities to the Underwriters on the Closing Date shall be made through the facilities of The Depository Trust Company ("DTC").

4. Agreements. The Company agrees with the several Underwriters that:

(a) Prior to the termination of the offering of the Securities, the Company will not file any amendment of the Registration Statement or supplement (including the Final Prospectus or any Preliminary Prospectus) to the Base Prospectus unless the Company has furnished you a copy for your review prior to filing and will not file any such proposed amendment or supplement to which you reasonably object. The Company will cause the Final Prospectus, properly completed, and any supplement thereto to be filed in a form approved by the Representatives with the Commission pursuant to the applicable paragraph of Rule 424(b) within the time period prescribed and will provide evidence satisfactory to the Representatives of such timely filing. The Company will promptly advise the Representatives (i) when the Final Prospectus, and any supplement thereto, shall have been filed (if required) with the Commission pursuant to Rule 424(b), (ii) when, prior to termination of the offering of the Securities, any amendment to the Registration Statement shall have been filed or become effective, (iii) of any request by the Commission or its staff for any amendment of the Registration Statement, or any Rule 462(b) Registration Statement, or for any supplement to the Final Prospectus or for any additional information, (iv) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or of any notice objecting to its use or the institution or threatening of any proceeding for that purpose and (v) of the receipt by the Company of any notification with respect to the suspension of the qualification of the Securities for sale in any jurisdiction or the institution or threatening of any proceeding for such purpose. The Company will use its reasonable best efforts to prevent the issuance of any such stop order or the occurrence of any such suspension or objection to the use of the Registration

Statement and, upon such issuance, occurrence or notice of objection, to obtain as soon as possible the withdrawal of such stop order or relief from such occurrence or objection, including, if necessary, by filing an amendment to the Registration Statement or a new registration statement and using its best efforts to have such amendment or new registration statement declared effective as soon as practicable.

(b) The Company will prepare a final term sheet, containing solely a description of final terms of the Securities and the offering thereof, in the form approved by you and substantially in the form attached as Schedule IV hereto and will file such term sheet pursuant to Rule 433(d) within the time required by such Rule.

(c) If, at any time prior to the filing of the Final Prospectus pursuant to Rule 424(b), any event occurs as a result of which the Disclosure Package would include any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein in the light of the circumstances under which they were made or the circumstances then prevailing not misleading, the Company will (i) notify promptly the Representatives so that any use of the Disclosure Package may cease until it is amended or supplemented; (ii) amend or supplement the Disclosure Package to correct such statement or omission; and (iii) supply any amendment or supplement to you in such quantities as you may reasonably request.

(d) If, at any time when a prospectus relating to the Securities is required to be delivered under the Act (including in circumstances where such requirement may be satisfied pursuant to Rule 172), any event occurs as a result of which the Final Prospectus as then supplemented would include any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein in the light of the circumstances under which they were made at such time not misleading, or if it shall be necessary to amend the Registration Statement, file a new registration statement or supplement the Final Prospectus to comply with the Act or the Exchange Act or the respective rules thereunder, including in connection with use or delivery of the Final Prospectus, the Company promptly will (i) notify the Representatives of any such event, (ii) prepare and file with the Commission, subject to the second sentence of paragraph (a) of this Section 4, an amendment or supplement or new registration statement which will correct such statement or omission or effect such compliance, (iii) use its best efforts to have any amendment to the Registration Statement or new registration statement declared effective as soon as practicable in order to avoid any disruption in use of the Final Prospectus and (iv) supply any supplemented Final Prospectus to you in such quantities as you may reasonably request.

(e) As soon as practicable, the Company will make generally available to its security holders and to the Representatives an earnings statement or statements of the Company and its subsidiaries which will satisfy the provisions of Section 11(a) of the Act and Rule 158.

(f) The Company will furnish to the Representatives and counsel for the Underwriters, without charge, signed copies of the Registration Statement (including exhibits thereto) and to each other Underwriter a copy of the Registration Statement (without exhibits thereto) and, so long as delivery of a prospectus by an Underwriter or dealer may be required by the Act (including in circumstances where such requirement may be satisfied pursuant to Rule 172), as many copies of each Preliminary Prospectus, the Final Prospectus and each Issuer Free Writing Prospectus and any supplement thereto as the Representatives may reasonably request. The Company will pay the expenses of printing or other production of all documents relating to the offering.

(g) The Company will arrange, if necessary, for the qualification of the Securities for sale under the laws of such jurisdictions as the Representatives may designate and will maintain such qualifications in effect so long as required for the distribution of the Securities; provided that in no event shall the Company be obligated to qualify to do business in any jurisdiction where it is not now so qualified or to take any action that would subject it to service of process in suits, other than those arising out of the offering or sale of the Securities, in any jurisdiction where it is not now so subject.

(h) The Company agrees that, unless it has or shall have obtained the prior written consent of the Representatives, and each Underwriter, severally and not jointly, agrees with the Company that, unless it has or shall have obtained, as the case may be, the prior written consent of the Company, it has not made and will not make any offer relating to the Securities that would constitute an Issuer Free Writing Prospectus or that would otherwise constitute a "free writing prospectus" (as defined in Rule 405) required to be filed by the Company with the Commission or retained by the Company under Rule 433, other than a free writing prospectus containing the information contained in the final term sheet prepared and filed pursuant to Section 4(b) hereto; provided that the prior written consent of the parties hereto shall be deemed to have been given in respect of the Free Writing Prospectuses included in Schedule III hereto and any electronic road show. Any such free writing prospectus and any such electronic road show consented to by the Representatives or the Company is hereinafter referred to as a "Permitted Free Writing Prospectus." The Company agrees that (x) it has treated and will treat, as the case may be, each Permitted Free Writing Prospectus as an Issuer Free Writing Prospectus and (y) it has complied and will comply, as the case may be, with the requirements of Rules 164 and 433 applicable to any Permitted Free Writing Prospectus, including in respect of timely filing with the Commission, legending and record keeping.

(i) The Company will not, without the prior written consent of the Representatives, offer, sell, contract to sell, pledge or otherwise dispose of (or enter into any transaction which is designed to, or might reasonably be expected to, result in the disposition (whether by actual disposition or effective economic disposition due to cash settlement or otherwise) by the Company or any affiliate of the Company or any person in privity with the Company or any affiliate of the Company), directly or indirectly, including the filing (or participation in the filing) of a registration statement with the Commission in respect of, or establish or increase a put equivalent position or liquidate or decrease a call equivalent position within the meaning of Section 16 of the Exchange Act, any debt securities issued or guaranteed by the Company (other than (i) the Securities and (ii) any commercial paper issued in the ordinary course of business) or publicly announce an intention to effect any such transaction until the Business Day set forth on Schedule I hereto.

---

(j) The Company will not take, directly or indirectly, any action designed to or that would constitute or that might reasonably be expected to cause or result in, under the Exchange Act or otherwise, stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Securities.

(k) The Company agrees to pay the costs and expenses relating to the following matters: (i) the preparation, printing or reproduction and filing with the Commission of the Registration Statement (including financial statements and exhibits thereto), each Preliminary Prospectus, the Final Prospectus and each Issuer Free Writing Prospectus, and each amendment or supplement to any of them; (ii) the printing (or reproduction) and delivery (including postage, air freight charges and charges for counting and packaging) of such copies of the Registration Statement, each Preliminary Prospectus, the Final Prospectus and each Issuer Free Writing Prospectus, and all amendments or supplements to any of them, as may, in each case, be reasonably requested for use in connection with the offering and sale of the Securities; (iii) the preparation, printing, authentication, issuance and delivery of certificates for the Securities, including any stamp or transfer taxes in connection with the original issuance and sale of the Securities; (iv) the printing (or reproduction) and delivery of this Agreement, any blue sky memorandum and all other agreements or documents printed (or reproduced) and delivered in connection with the offering of the Securities; (v) the filing fees incident to, and the reasonable fees and disbursements of counsel to the Underwriters in connection with, the review, if any, by the Financial Industry Regulatory Authority, Inc., of the terms of the sale of the Securities; (vi) any registration or qualification of the Securities for offer and sale under the securities or blue sky laws of the several states (including filing fees and the reasonable fees and expenses of counsel for the Underwriters relating to such registration and qualification); (vii) the transportation and other expenses incurred by or on behalf of Company representatives in connection with presentations to prospective purchasers of the Securities; (viii) the fees and expenses of the Company's accountants and the fees and expenses of counsel (including local and special counsel) for the Company; (ix) all expenses and application fees incurred in connection with the approval of the Securities for clearance and settlement through DTC; and (x) all other costs and expenses incident to the performance by the Company of its obligations hereunder.

5. Conditions to the Obligations of the Underwriters. The obligations of the Underwriters to purchase the Securities shall be subject to the accuracy of the representations and warranties on the part of the Company contained herein as of the Execution Time and the Closing Date, to the accuracy of the statements of the Company made in any certificates pursuant to the provisions hereof, to the performance by the Company of its obligations hereunder and to the following additional conditions:

(a) The Final Prospectus, and any supplement thereto, shall have been filed in the manner and within the time period required by Rule 424(b); the final term sheet contemplated by Section 4(b) hereto, and any other material required to be filed by the Company pursuant to Rule 433(d) under the Act, shall have been filed with the Commission within the applicable time periods prescribed for such filings by Rule 433; and no stop order suspending the effectiveness of the Registration Statement or any notice objecting to its use shall have been issued and no proceedings for that purpose shall have been instituted or threatened.

(b) The Company shall have requested and caused Davis Polk & Wardwell LLP, counsel for the Company, to have furnished to the Representatives opinions substantially in the form of Exhibit A and Exhibit B hereto, dated the Closing Date and addressed to the Representatives.

(c) The General Counsel of the Company shall have furnished to the Representatives her opinion substantially in the form of Exhibit C hereto, dated the Closing Date and addressed to the Representatives.

(d) The Representatives shall have received from Simpson Thacher & Bartlett LLP, counsel for the Underwriters, such opinion or opinions, dated the Closing Date and addressed to the Representatives, with respect to the issuance and sale of the Securities, the Indenture, the Registration Statement, the Disclosure Package, the Final Prospectus (together with any supplement thereto) and other related matters as the Representatives may reasonably require, and the Company shall have furnished to such counsel such documents as they request for the purpose of enabling them to pass upon such matters.

(e) The Company shall have furnished to the Representatives a certificate of the Company, signed by the Chief Executive Officer, the Chief Operating Officer or a Senior Vice President of the Company and the principal financial or accounting officer of the Company, dated the Closing Date, to the effect that the signers of such certificate have carefully examined the Registration Statement, the Disclosure Package, the Final Prospectus and any supplements or amendments thereto, as well as each electronic road show used in connection with the offering of the Securities, and this Agreement and that:

(i) the representations and warranties of the Company in this Agreement are true and correct on and as of the Closing Date with the same effect as if made on the Closing Date, and the Company has complied with all the agreements and satisfied all the conditions on its part to be performed or satisfied at or prior to the Closing Date;

(ii) no stop order suspending the effectiveness of the Registration Statement or any notice objecting to its use has been issued and no proceedings for that purpose have been instituted or, to the Company's knowledge, threatened; and

(iii) since the date of the most recent financial statements included in the Disclosure Package and the Final Prospectus (exclusive of any supplement thereto), there has been no material adverse effect on the condition (financial or otherwise), prospects, earnings, business or properties of the Company and its subsidiaries taken as a whole, whether or not arising from transactions in the ordinary course of business, except as set forth in or contemplated in the Disclosure Package and the Final Prospectus (exclusive of any supplement thereto).

(f) (i) On the date of this Agreement and on the Closing Date, PricewaterhouseCoopers LLP shall have furnished to the Representatives, at the request of the Company, letters, dated the respective dates of delivery thereof and addressed to the Representatives, in form and substance reasonably satisfactory to the Representatives, containing statements and information of the type customarily included in accountants' "comfort letters" to underwriters with respect to the financial statements and certain financial information contained or incorporated by reference in each of the Registration Statement, the Disclosure Package and the Final Prospectus; provided that the letter delivered on the Closing Date shall use a "cut-off" date no more than three Business Days prior to the Closing Date.

(ii) On the date of this Agreement and on the Closing Date, the Company shall have furnished to the Representatives a certificate substantially in the form of Exhibit D hereto, dated the respective dates of delivery thereof and addressed to the Representatives, of its chief financial officer with respect to certain financial data contained in the Registration Statement, the Disclosure Package and the Prospectus.

(g) Subsequent to the Execution Time, (i) no downgrading shall have occurred in the rating accorded to the Securities or any other debt securities issued or guaranteed by the Company or any of its subsidiaries by any "nationally recognized statistical rating organization," as such term is defined under Section 3(a)(62) of the Exchange Act and (ii) no such organization shall have publicly announced that it has under surveillance or review, or has changed its outlook with respect to, its rating of the Securities or of any other debt securities issued or guaranteed by the Company or any of its subsidiaries (other than an announcement with positive implications of a possible upgrading).

(h) Prior to the Closing Date, the Company shall have furnished to the Representatives such further information, certificates and documents as the Representatives may reasonably request.

(i) The Securities shall be eligible for clearance and settlement through DTC.

If any of the conditions specified in this Section 5 shall not have been fulfilled when and as provided in this Agreement, or if any of the opinions and certificates mentioned above or elsewhere in this Agreement shall not be reasonably satisfactory in form and substance to the Representatives and counsel for the Underwriters, this Agreement and all obligations of the Underwriters hereunder may be canceled at, or at any time prior to, the Closing Date by the Representatives. Notice of such cancellation shall be given to the Company in writing or by telephone or facsimile confirmed in writing.

The documents required to be delivered by this Section 5 shall be delivered at the office of Simpson Thacher & Bartlett LLP, counsel for the Underwriters, at 425 Lexington Avenue, New York, NY 10017, on the Closing Date.

6. Reimbursement of Underwriters' Expenses. If the sale of the Securities provided for herein is not consummated because any condition to the obligations of the Underwriters set forth in Section 5 hereof is not satisfied, because of any termination pursuant to Section 10 hereof or because of any refusal, inability or failure on the part of the Company to perform any agreement herein or comply with any provision hereof other than by reason of a default by any of the Underwriters, the Company will reimburse the Underwriters severally through Barclays Capital Inc., BofA Securities, Inc., J.P. Morgan Securities LLC and Morgan Stanley & Co. LLC on demand for all out-of-pocket expenses (including reasonable fees and disbursements of counsel) that shall have been incurred by them in connection with the proposed purchase and sale of the Securities.

7. Indemnification and Contribution. (a) The Company agrees to indemnify and hold harmless each Underwriter, the directors, officers, employees, affiliates and agents of each Underwriter and each person who controls any Underwriter within the meaning of either the Act or the Exchange Act against any and all losses, claims, damages or liabilities, joint or several, to which they or any of them may become subject under the Act, the Exchange Act or other Federal or state statutory law or regulation, at common law or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in the registration statement for the registration of the Securities as originally filed or in any amendment thereof, or in the Base Prospectus, any Preliminary Prospectus or any other preliminary prospectus supplement relating to the Securities, the Final Prospectus, any Issuer Free Writing Prospectus or the information contained in the final term sheet required to be prepared and filed pursuant to Section 4(b) hereto, or in any amendment thereof or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and agrees to reimburse each such indemnified party, as incurred, for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the Company will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with written information furnished to the Company by or on behalf of any Underwriter through the Representatives specifically for inclusion therein. This indemnity agreement will be in addition to any liability which the Company may otherwise have.

(b) Each Underwriter severally and not jointly agrees to indemnify and hold harmless the Company, each of its directors, each of its officers who signs the Registration Statement and each person who controls the Company within the meaning of either the Act or the Exchange Act, to the same extent as the foregoing indemnity from the Company to each Underwriter, but only with reference to written information relating to such Underwriter furnished to the Company by or on behalf of such Underwriter through the Representatives specifically for inclusion in the documents referred to in the foregoing indemnity; provided that the Company acknowledges that the only such information provided by any Underwriter consists of the statements set forth (i) in the third paragraph under the caption "Underwriting (Conflicts of Interest)" in the Preliminary Prospectus and

---

the Final Prospectus concerning the terms of the offering by the Underwriters, (ii) the third and fourth sentences in the fifth paragraph under the caption "Underwriting (Conflicts of Interest)" in the Preliminary Prospectus and the Final Prospectus concerning the making of a market in the Securities and (iii) the sixth and seventh paragraphs under the caption "Underwriting (Conflicts of Interest)" in the Preliminary Prospectus and the Final Prospectus concerning possible stabilizing transactions by the Underwriters with respect to the Securities (with respect to themselves only). This indemnity agreement will be in addition to any liability which any Underwriter may otherwise have.

(c) Promptly after receipt by an indemnified party under this Section 7 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section 7, notify the indemnifying party in writing of the commencement thereof; but the failure to so notify the indemnifying party (i) will not relieve it from liability under paragraph (a) or (b) above unless and to the extent it did not otherwise learn of such action and such failure results in the forfeiture by the indemnifying party of substantial rights and defenses and (ii) will not, in any event, relieve the indemnifying party from any obligations to any indemnified party other than the indemnification obligation provided in paragraph (a) or (b) above. The indemnifying party shall be entitled to appoint counsel of the indemnifying party's choice at the indemnifying party's expense to represent the indemnified party in any action for which indemnification is sought (in which case the indemnifying party shall not thereafter be responsible for the fees and expenses of any separate counsel retained by the indemnified party or parties except as set forth below); provided, however, that such counsel shall be satisfactory to the indemnified party. Notwithstanding the indemnifying party's election to appoint counsel to represent the indemnified party in an action, the indemnified party shall have the right to employ separate counsel (including local counsel), and the indemnifying party shall bear the reasonable fees, costs and expenses of such separate counsel if (i) the use of counsel chosen by the indemnifying party to represent the indemnified party would present such counsel with a conflict of interest, (ii) the actual or potential defendants in, or targets of, any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there may be legal defenses available to it and/or other indemnified parties which are different from or additional to those available to the indemnifying party, (iii) the indemnifying party shall not have employed counsel satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of the institution of such action or (iv) the indemnifying party shall authorize the indemnified party to employ separate counsel at the expense of the indemnifying party. An indemnifying party will not, without the prior written consent of the indemnified parties, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or potential parties to such claim or action) unless such settlement, compromise or consent includes an unconditional release of each indemnified party from all liability arising out of such claim, action, suit or proceeding and does not include any findings of fact or admissions of fault or culpability as to the indemnified party.

(d) In the event that the indemnity provided in paragraph (a) or (b) of this Section 7 is unavailable to or insufficient to hold harmless an indemnified party for any reason, the Company and the Underwriters severally agree to contribute to the aggregate losses, claims, damages and liabilities (including legal or other expenses reasonably incurred in connection with investigating or defending the same) (collectively, "Losses") to which the Company and one or more of the Underwriters may be subject in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and by the Underwriters on the other from the offering of the Securities; provided, however, that in no case shall any Underwriter (except as may be provided in any agreement among underwriters relating to the offering of the Securities) be responsible for any amount in excess of the underwriting discount or commission applicable to the Securities purchased by such Underwriter hereunder. If the allocation provided by the immediately preceding sentence is unavailable for any reason, the Company and the Underwriters severally shall contribute in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company on the one hand and of the Underwriters on the other in connection with the statements or omissions which resulted in such Losses as well as any other relevant equitable considerations. Benefits received by the Company shall be deemed to be equal to the total net proceeds from the offering (before deducting expenses) received by it, and benefits received by the Underwriters shall be deemed to be equal to the total underwriting discounts and commissions, in each case as set forth on the cover page of the Final Prospectus. Relative fault shall be determined by reference to, among other things, whether any untrue or any alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information provided by the Company on the one hand or the Underwriters on the other, the intent of the parties and their relative knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The Company and the Underwriters agree that it would not be just and equitable if contribution were determined by pro rata allocation or any other method of allocation which does not take account of the equitable considerations referred to above. Notwithstanding the provisions of this paragraph (d), no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section 7, each person who controls an Underwriter within the meaning of either the Act or the Exchange Act and each director, officer, employee and agent of an Underwriter shall have the same rights to contribution as such Underwriter, and each person who controls the Company within the meaning of either the Act or the Exchange Act, each officer of the Company who shall have signed the Registration Statement and each director of the Company shall have the same rights to contribution as the Company, subject in each case to the applicable terms and conditions of this paragraph (d).

8. Default by an Underwriter. If any one or more Underwriters shall fail to purchase and pay for any of the Securities agreed to be purchased by such Underwriter or Underwriters hereunder and such failure to purchase shall constitute a default in the performance of its or their obligations under this Agreement, the remaining Underwriters shall be obligated severally to take up and pay for (in the respective proportions which the principal amount of

Securities set forth opposite their names in Schedule II hereto bears to the aggregate principal amount of Securities set forth opposite the names of all the remaining Underwriters) the Securities which the defaulting Underwriter or Underwriters agreed but failed to purchase; provided, however, that in the event that the aggregate principal amount of Securities which the defaulting Underwriter or Underwriters agreed but failed to purchase shall exceed 10% of the aggregate principal amount of Securities set forth in Schedule II hereto, the remaining Underwriters shall have the right to purchase all, but shall not be under any obligation to purchase any, of the Securities, and if such nondefaulting Underwriters do not purchase all the Securities, this Agreement will terminate without liability to any nondefaulting Underwriter or the Company. In the event of a default by any Underwriter as set forth in this Section 8, the Closing Date shall be postponed for such period, not exceeding five Business Days, as the Representatives shall determine in order that the required changes in the Registration Statement and the Final Prospectus or in any other documents or arrangements may be effected. Nothing contained in this Agreement shall relieve any defaulting Underwriter of its liability, if any, to the Company and any nondefaulting Underwriter for damages occasioned by its default hereunder.

9. [Reserved]

10. Termination. This Agreement shall be subject to termination in the absolute discretion of the Representatives, by notice given to the Company prior to delivery of and payment for the Securities, if at any time prior to such delivery and payment (i) trading in the Company's common stock shall have been suspended by the Commission or the NYSE or trading in securities generally on the NYSE shall have been suspended or limited or minimum prices shall have been established on such exchange, (ii) a banking moratorium shall have been declared either by Federal or New York State authorities or there shall have occurred any material disruption in commercial banking, securities settlement or clearance services in the United States or (iii) there shall have occurred any outbreak or escalation of hostilities, declaration by the United States of a national emergency or war, or other calamity or crisis, the effect of which on financial markets is such as to make it, in the sole judgment of the Representatives, impractical or inadvisable to proceed with the offering or delivery of the Securities as contemplated by any Preliminary Prospectus or the Final Prospectus (exclusive of any amendment or supplement thereto).

11. Representations and Indemnities to Survive. The respective agreements, representations, warranties, indemnities and other statements of the Company or its officers and of the Underwriters set forth in or made pursuant to this Agreement will remain in full force and effect, regardless of any investigation made by or on behalf of any Underwriter or the Company or any of the officers, directors, employees, agents or controlling persons referred to in Section 7 hereof, and will survive delivery of and payment for the Securities. The provisions of Sections 6 and 7 hereof shall survive the termination or cancellation of this Agreement.

12. Notices. With respect to each series of Notes, the amount of interest payable for any Interest Period shall be computed on the basis of a 360-day year consisting of twelve 30-day months. In the event that any scheduled Interest Payment Date for the applicable series of Notes falls on a day that is not a Business Day, then payment of interest payable on such Interest Payment Date shall be postponed to the next succeeding day which is a Business Day (and no interest on such payment shall accrue for the period from and after such scheduled Interest Payment Date).

In the event the Maturity Date or a Redemption Date for the applicable series of Notes falls on a day that is not a Business Day, then the related payments of principal, premium, if any, and interest may be made on the next succeeding date that is a Business Day (and no additional interest will accumulate on the amount payable for the period from and after the Maturity Date). (e) *To Whom Interest is Payable.* Interest shall be payable to the Person in whose name the applicable series of Notes are registered at the close of business on the Business Day next preceding the Interest Payment Date, or in the event the applicable series of Notes cease to be held in the form of one or more Global Securities, at the close of business on the April 8 or October 8 immediately prior to that Interest Payment Date, whether or not a Business Day.

(g) *Security Registrar and Paying Agent.* The Company hereby appoints (i) the Trustee, as the Paying Agent, and (ii) the Trustee as the Security Registrar for each series of Notes. Upon notice to the Trustee, the Company may change any Paying Agent or Security Registrar for any series of Notes. (h) *Funding of Payments.* With respect to each series of Notes, at least one Business Day prior to the date that any payment of principal of, the Redemption Price (if any), the Change of Control Payments (if any), or interest on, or any other amount payable in respect of such series of Notes is due and payable, the Company shall deposit with the Paying Agent an amount of money in dollars sufficient to pay any and all such amounts due and payable in respect of such series of Notes on such payment date.

(i) *Sinking Fund; Noteholder Repurchase Right.* Each series of Notes shall not be subject to any sinking fund or analogous provision or be redeemable at the option of the Noteholders.

With respect to each series of Notes, if, (i) DTC is no longer willing or able to discharge its responsibilities properly, and neither the Trustee nor the Company have approved a qualified successor within 90 days or (ii) a Noteholder of the applicable series of Notes shall so request upon the occurrence and continuance of an Event of Default with respect to the applicable series of Notes, the Company will issue Notes of such series in definitive form in authorized denominations in exchange, in whole or in part, as the case may be, for the applicable Global Security that had been held by the Depository. Any Notes issued in definitive form in exchange for a Global Security will be registered in the name or names that the Depository gives to the Trustee or relevant agent of the Company or the Trustee. The Company expects that the Depository’s instructions will be based upon directions received by the Depository from participants with respect to ownership of beneficial interests in the applicable Global Security that had been held by the Depository. In addition, the Company may at any time determine that the Notes of the applicable series of Notes shall no longer be represented by a Global Security and will issue Notes of such series in definitive form in exchange for such Global Security pursuant to the procedure described above.

thereunder (as in effect from time to time, collectively, the “**Applicable Law**”), the Company agrees (i) to provide, upon request, the Trustee and any Paying Agent information within the Company’s possession, which the Company is legally entitled to provide and is reasonably necessary for the Trustee’s and any Paying Agent’s determination of whether it has tax related obligations with respect to the applicable series of Notes under Applicable Law and (ii) that the Trustee and any Paying Agent shall be entitled to make any withholding or deduction from payments under the Indenture and the applicable series of Notes to the extent necessary to comply with Applicable Law. Nothing in the immediately preceding sentence shall be construed as obligating the Company to make any “gross up” payment or similar reimbursement in connection with a payment in respect of which amounts are so withheld or deducted.

#### ARTICLE 3 DEFEASANCE

Section 3.01. *Defeasance.* Until the Maturity Date, each series of Notes will be subject to Article 13 of the Base Indenture *provided, however,* that, solely with respect to each series of Notes:

(b) solely in respect of the 2025 Notes, 2027 Notes and 2030 Notes, on and after the applicable Make Whole Call Date, at a Redemption Price equal to 100% of the principal amount of the applicable series of Notes then outstanding to be redeemed, plus accrued and unpaid interest thereon, to, but excluding, the Redemption Date;

---

*provided* that unless the Company defaults in payment of the Redemption Price, on or after the Redemption Date, interest will cease to accrue on such Notes or portions thereof called for redemption.

THE BANK OF NEW YORK MELLON  
TRUST COMPANY, N.A., as Trustee

By: \_\_\_\_\_  
Authorized Signatory

This Note is one of a duly authorized issue of notes of the Company (herein called the “Notes”), issued and to be issued in one or more series under an Indenture, dated as of October 15, 2007 (herein called the “Base Indenture”, which term shall have the meaning assigned to it in such instrument), as supplemented by a Fifth Supplemental Indenture, dated as of April 23, 2020 (herein called the “Fifth Supplemental Indenture” and together with the Base Indenture, the “Indenture”), among the Company and The Bank of New York Mellon Trust Company, N.A., formerly known as The Bank of New York Trust Company, N.A., a national banking association, as Trustee (the “Trustee”) and Paying Agent, and reference is hereby made to the Indenture for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee, the Paying Agent and the Noteholders, and of the terms upon which the Notes are, and are to be, authenticated and delivered. This Note is one of the series designated on the face hereof, initially limited in aggregate principal amount to \$1,000,000,000. The Company may at any time issue additional notes under the Indenture in unlimited amounts having the same terms as the Notes.

The terms of the Notes include those stated in the Indenture and those made part of the Indenture and the provisions of the Trust Indenture Act of 1939, as amended (the “Trust Indenture Act”). The Notes are subject to all such terms, and Noteholders are referred to the Indenture and the Trust Indenture Act for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture and those other provisions forming a part thereof with respect to the Notes, the provisions of the Indenture and such other provisions with respect to the Notes shall govern and be controlling.

The Notes are subject to redemption, in whole or in part, at any time, upon not less than 30 nor more than 60 days’ notice sent to each Noteholder of Notes to be redeemed at such Noteholder’s address as it appears in the Securities Register:

(A) on any date prior to the 2022 Notes Maturity Date at a Redemption Price equal to the greater of (i) 100% of the principal amount of such Notes to be redeemed or (ii) the sum, as determined by a quotation agent appointed by the Company, of the present value of the remaining scheduled payments of principal and interest on the Notes to be redeemed (excluding any portion of such payments of interest accrued as of the Redemption Date), discounted to the Redemption Date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the applicable Adjusted Treasury Rate, plus the Applicable Spread, plus, in each case, accrued and unpaid interest thereon, to, but excluding, the Redemption Date.

*provided* that unless the Company defaults in payment of the Redemption Price, on or after the Redemption Date, interest will cease to accrue on the Notes or portions thereof called for redemption.

The Notes do not have the benefit of any sinking fund obligations.

If less than all of the Notes are to be redeemed, the Notes to be redeemed shall be selected by the Trustee pro rata or by lot, but consistent with any applicable listing standards. In the event of redemption of Notes in part only, a new Note or Notes of like tenor of the

unredeemed portion thereof (which shall not be less than the minimum authorized denomination for the Notes) shall be issued in the name of the Holder thereof upon cancellation thereof.

If a Change of Control Repurchase Event with respect to the Notes occurs, unless the Company has exercised its right to redeem all the Notes, the Company shall make an offer to each Noteholder of the Notes to repurchase all or any part (in integral multiples of \$1,000) of that Noteholder's Notes at a repurchase price in cash equal to 101% of the aggregate principal amount of Notes repurchased plus any accrued and unpaid interest on the Notes repurchased, to, but excluding, the date of repurchase. Within 30 days following any such Change of Control Repurchase Event or, at the Company's option, prior to any Change of Control, but after the public announcement of an impending Change of Control, the Company shall send a notice (a "**Change of Control Notice**") to each Noteholder, with a copy to the Trustee, describing the transaction or transactions that constitute or may constitute the Change of Control Repurchase Event and offering to repurchase the Notes on the payment date specified in the Change of Control Notice, which date will be no earlier than 30 days and no later than 60 days from the date such Change of Control Notice is sent. The Change of Control Notice shall, if sent prior to the date of consummation of the Change of Control, state that the offer to repurchase is conditioned on the Change of Control Repurchase Event occurring on or prior to the payment date specified in the Change of Control Notice.

The Company shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder, to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control Repurchase Event. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control Repurchase Event provisions of the Notes, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under the Indenture by virtue of such conflict.

On the Change of Control Repurchase Event payment date, the Company shall, to the extent lawful, with respect to the Notes:

(A) accept for payment all Notes or portions of Notes (in integral multiples of \$1,000) properly tendered pursuant to the Company's offer ("**Tendered Notes**");

(B) deposit with the Trustee a cash amount in immediately available funds equal to the aggregate repurchase price in respect of all Tendered Notes; and

(C) deliver or cause to be delivered to the Trustee the Tendered Notes, together with an officers' certificate stating that such Tendered Notes have been properly accepted by the Company and stating the aggregate principal amount of Tendered Notes being purchased by the Company.

The Paying Agent shall promptly transmit to each Noteholder of Tendered Notes the repurchase price for the Tendered Notes, and the Trustee shall, to the extent necessary, promptly authenticate and deliver (or cause to be transferred by book-entry) to each such Noteholder a new note equal in principal amount to any unpurchased portion of any Tendered Notes; *provided*

that each new note will be in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

The Company shall not be required to make an offer to repurchase the Notes upon a Change of Control Repurchase Event if a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for an offer made by the Company and such third party purchases all Notes properly tendered and not withdrawn under its offer. In addition, the Company shall not be required to make an offer to repurchase the Notes upon a Change of Control Repurchase Event if the Notes have been or are called for redemption by the Company prior to it being required to deliver notice of the Change of Control Repurchase Event, and thereafter redeems all Notes called for redemption in accordance with the terms set forth in such redemption notice.

Notwithstanding anything to the contrary contained herein, a revocable offer to repurchase the Notes upon a Change of Control Repurchase Event may be made in advance of a Change of Control Repurchase Event, conditioned upon the consummation of the relevant Change of Control Repurchase Event, if a definitive agreement is in place for the applicable Change of Control at the time such offer to repurchase is made.

The Indenture contains provisions for defeasance at any time of the entire indebtedness of this Note or certain restrictive covenants and Events of Default with respect to this Note, in each case upon compliance with certain conditions set forth in the Indenture.

If an Event of Default with respect to Notes of this series shall occur and be continuing, the principal of the Notes of this series may be declared due and payable in the manner and with the effect provided in the Indenture.

Subject to certain exceptions, the Indenture or the Notes of any series thereunder may be amended or supplemented pursuant to Article 9 of the Base Indenture.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and any premium and interest on this Note at the times, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Note is registrable in the Security Register, upon surrender of this Note for registration of transfer at the office or agency of the Company in any place where the principal of and any premium and interest on this Note are payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by, the Noteholder hereof or his attorney duly authorized in writing, and thereupon one or more new Notes of this series and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Notes of this series are issuable only in registered form without coupons in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. As provided in the Indenture and subject to certain limitations therein set forth, Notes of this series are

exchangeable for a like aggregate principal amount of Notes of this series and of like tenor of a different authorized denomination, as requested by the Noteholder surrendering the same.

No service charge shall be made to a Noteholder for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Note for registration of transfer, the Company, the Trustee, the Paying Agent and any agent of the Company or the Trustee may treat the Person in whose name this Note is registered as the owner hereof for all purposes, whether or not this Note be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

The Company has caused CUSIP and ISIN numbers to be printed on the Notes of this series and the Trustee or Registrar may use CUSIP and ISIN numbers in notices of redemption or offers to repurchase as a convenience to Noteholders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption or offer to repurchase.

All terms used in this Note which are defined in the Indenture shall have the meanings assigned to them in the Indenture.

THE INDENTURE AND THIS NOTE SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

If a Change of Control Repurchase Event with respect to the Notes occurs, unless the Company has exercised its right to redeem all the Notes, the Company shall make an offer to each Noteholder of the Notes to repurchase all or any part (in integral multiples of \$1,000) of that Noteholder’s Notes at a repurchase price in cash equal to 101% of the aggregate principal amount of Notes repurchased plus any accrued and unpaid interest on the Notes repurchased, to, but excluding, the date of repurchase. Within 30 days following any such Change of Control Repurchase Event or, at the Company’s option, prior to any Change of Control, but after the public announcement of an impending Change of Control, the Company shall send a notice (a “Change of Control Notice”) to each Noteholder, with a copy to the Trustee, describing the transaction or transactions that constitute or may constitute the Change of Control Repurchase Event and offering to repurchase the Notes on the payment date specified in the Change of Control Notice, which date will be no earlier than 30 days and no later than 60 days from the date such Change of Control Notice is sent. The Change of Control Notice shall, if sent prior to the date of consummation of the Change of Control, state that the offer to repurchase is conditioned on the Change of Control Repurchase Event occurring on or prior to the payment date specified in the Change of Control Notice.

The Company shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder, to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control Repurchase Event. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control Repurchase Event provisions of the Notes, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under the Indenture by virtue of such conflict.

On the Change of Control Repurchase Event payment date, the Company shall, to the extent lawful, with respect to the Notes:

(A) accept for payment all Notes or portions of Notes (in integral multiples of \$1,000) properly tendered pursuant to the Company’s offer (“Tendered Notes”);

(B) deposit with the Trustee a cash amount in immediately available funds equal to the aggregate repurchase price in respect of all Tendered Notes; and

(C) deliver or cause to be delivered to the Trustee the Tendered Notes, together with an officers’ certificate stating that such Tendered Notes have been properly accepted by the Company and stating the aggregate principal amount of Tendered Notes being purchased by the Company.

---

B-7

The Paying Agent shall promptly transmit to each Noteholder of Tendered Notes the repurchase price for the Tendered Notes, and the Trustee shall, to the extent necessary, promptly authenticate and deliver (or cause to be transferred by book-entry) to each such Noteholder a new note equal in principal amount to any unpurchased portion of any Tendered Notes; *provided* that each new note will be in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

The Company shall not be required to make an offer to repurchase the Notes upon a Change of Control Repurchase Event if a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for an offer made by the Company and such third party purchases all Notes properly tendered and not withdrawn under its offer. In addition, the Company shall not be required to make an offer to repurchase the Notes upon a Change of Control Repurchase Event if the Notes have been or are called for redemption by the Company prior to it being required to deliver notice of the Change of Control Repurchase Event, and thereafter redeems all Notes called for redemption in accordance with the terms set forth in such redemption notice.

Notwithstanding anything to the contrary contained herein, a revocable offer to repurchase the Notes upon a Change of Control Repurchase Event may be made in advance of a Change of Control Repurchase Event, conditioned upon the consummation of the relevant Change of Control Repurchase Event, if a definitive agreement is in place for the applicable Change of Control at the time such offer to repurchase is made.

The Indenture contains provisions for defeasance at any time of the entire indebtedness of this Note or certain restrictive covenants and Events of Default with respect to this Note, in each case upon compliance with certain conditions set forth in the Indenture.

If an Event of Default with respect to Notes of this series shall occur and be continuing, the principal of the Notes of this series may be declared due and payable in the manner and with the effect provided in the Indenture.

Subject to certain exceptions, the Indenture or the Notes of any series thereunder may be amended or supplemented pursuant to Article 9 of the Base Indenture.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and any premium and interest on this Note at the times, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Note is registrable in the Security Register, upon surrender of this Note for registration of transfer at the office or agency of the Company in any place where the principal of and any premium and interest on this Note are payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by, the Noteholder hereof or his attorney duly authorized in writing, and thereupon one or more new Notes of this series and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

---

B-8

The Notes of this series are issuable only in registered form without coupons in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. As provided in the Indenture and subject to certain limitations therein set forth, Notes of this series are exchangeable for a like aggregate principal amount of Notes of this series and of like tenor of a different authorized denomination, as requested by the Noteholder surrendering the same.

No service charge shall be made to a Noteholder for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Note for registration of transfer, the Company, the Trustee, the Paying Agent and any agent of the Company or the Trustee may treat the Person in whose name this Note is registered as the owner hereof for all purposes, whether or not this Note be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

The Company has caused CUSIP and ISIN numbers to be printed on the Notes of this series and the Trustee or Registrar may use CUSIP and ISIN numbers in notices of redemption or offers to repurchase as a convenience to Noteholders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption or offer to repurchase.

All terms used in this Note which are defined in the Indenture shall have the meanings assigned to them in the Indenture.

THE INDENTURE AND THIS NOTE SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

THE BANK OF NEW YORK MELLON  
TRUST COMPANY, N.A., as Trustee

By: \_\_\_\_\_  
Authorized Signatory

[Reverse of Note]

This Note is one of a duly authorized issue of notes of the Company (herein called the "**Notes**"), issued and to be issued in one or more series under an Indenture, dated as of October 15, 2007 (herein called the "**Base Indenture**"), which term shall have the meaning assigned to it in such instrument), as supplemented by a Fifth Supplemental Indenture, dated as of April 23, 2020 (herein called the "**Fifth Supplemental Indenture**" and together with the Base Indenture, the "**Indenture**"), among the Company, The Bank of New York Mellon Trust Company, N.A., formerly known as The Bank of New York Trust Company, N.A., a national banking association, as Trustee (the "**Trustee**"), and Paying Agent, and reference is hereby made to the Indenture for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee, the Paying Agent and the Noteholders, and of the terms upon which the Notes are, and are to be, authenticated and delivered. This Note is one of the series designated on the face hereof, initially limited in aggregate principal amount to \$500,000,000. The Company may at any time issue additional notes under the Indenture in unlimited amounts having the same terms as the Notes.

The terms of the Notes include those stated in the Indenture and those made part of the Indenture and the provisions of the Trust Indenture Act of 1939, as amended (the “**Trust Indenture Act**”). The Notes are subject to all such terms, and Noteholders are referred to the Indenture and the Trust Indenture Act for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture and those other provisions forming a part thereof with respect to the Notes, the provisions of the Indenture and such other provisions with respect to the Notes shall govern and be controlling.

The Notes are subject to redemption, in whole or in part, at any time, upon not less than 30 nor more than 60 days’ notice sent to each Noteholder of Notes to be redeemed at such Noteholder’s address as it appears in the Securities Register:

(A) on any date prior to the Make Whole Call Date at a Redemption Price equal to the greater of (i) 100% of the principal amount of such Notes to be redeemed or (ii) the sum, as determined by a quotation agent appointed by the Company, of the present value of the remaining scheduled payments of principal and interest on the Notes to be redeemed if such Notes matured on the Make Whole Call Date (excluding any portion of such payments of interest accrued as of the Redemption Date), discounted to the Redemption Date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the applicable Adjusted Treasury Rate, plus the Applicable Spread, plus, in each case, accrued and unpaid interest thereon, to, but excluding, the Redemption Date; and

(B) on and after the Make Whole Call Date, at a Redemption Price equal to 100% of the principal amount of the Notes then outstanding to be redeemed, plus accrued and unpaid interest thereon, to, but excluding, the Redemption Date;

*provided* that unless the Company defaults in payment of the Redemption Price, on or after the Redemption Date, interest will cease to accrue on the Notes or portions thereof called for redemption.

---

C-6

The Notes do not have the benefit of any sinking fund obligations.

If less than all of the Notes are to be redeemed, the Notes to be redeemed shall be selected by the Trustee pro rata or by lot, but consistent with any applicable listing standards. In the event of redemption of Notes in part only, a new Note or Notes of like tenor of the unredeemed portion thereof (which shall not be less than the minimum authorized denomination for the Notes) shall be issued in the name of the Holder thereof upon cancellation thereof.

If a Change of Control Repurchase Event with respect to the Notes occurs, unless the Company has exercised its right to redeem all the Notes, the Company shall make an offer to each Noteholder of the Notes to repurchase all or any part (in integral multiples of \$1,000) of that Noteholder’s Notes at a repurchase price in cash equal to 101% of the aggregate principal amount of Notes repurchased plus any accrued and unpaid interest on the Notes repurchased, to, but excluding, the date of repurchase. Within 30 days following any such Change of Control Repurchase Event or, at the Company’s option, prior to any Change of Control, but after the public announcement of an impending Change of Control, the Company shall send a notice (a “**Change of Control Notice**”) to each Noteholder, with a copy to the Trustee, describing the transaction or transactions that constitute or may constitute the Change of Control Repurchase Event and offering to repurchase the Notes on the payment date specified in the Change of Control Notice, which date will be no earlier than 30 days and no later than 60 days from the date such Change of Control Notice is sent. The Change of Control Notice shall, if sent prior to the date of consummation of the Change of Control, state that the offer to repurchase is conditioned on the Change of Control Repurchase Event occurring on or prior to the payment date specified in the Change of Control Notice.

The Company shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder, to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control Repurchase Event. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control Repurchase Event provisions of the Notes, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under the Indenture by virtue of such conflict.

On the Change of Control Repurchase Event payment date, the Company shall, to the extent lawful, with respect to the Notes:

(A) accept for payment all Notes or portions of Notes (in integral multiples of \$1,000) properly tendered pursuant to the Company’s offer (“**Tendered Notes**”);

(B) deposit with the Trustee a cash amount in immediately available funds equal to the aggregate repurchase price in respect of all Tendered Notes; and

(C) deliver or cause to be delivered to the Trustee the Tendered Notes, together with an officers’ certificate stating that such Tendered Notes have been properly accepted by the Company and stating the aggregate principal amount of Tendered Notes being purchased by the Company.

---

C-7

The Paying Agent shall promptly transmit to each Noteholder of Tendered Notes the repurchase price for the Tendered Notes, and the Trustee shall, to the extent necessary, promptly authenticate and deliver (or cause to be transferred by book-entry) to each such Noteholder a new note equal in principal amount to any unpurchased portion of any Tendered Notes; *provided* that each new note will be in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

The Company shall not be required to make an offer to repurchase the Notes upon a Change of Control Repurchase Event if a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for an offer made by the Company and such third party purchases all Notes properly tendered and not withdrawn under its offer. In addition, the Company shall not be required to make an offer to repurchase the Notes upon a Change of Control Repurchase Event if the Notes have been or are called for redemption by the Company prior to it being required to deliver notice of the Change of Control Repurchase Event, and thereafter redeems all Notes called for redemption in accordance with the terms set forth in such redemption notice.

Notwithstanding anything to the contrary contained herein, a revocable offer to repurchase the Notes upon a Change of Control Repurchase Event may be made in advance of a Change of Control Repurchase Event, conditioned upon the consummation of the relevant Change of Control Repurchase Event, if a definitive agreement is in place for the applicable Change of Control at the time such offer to repurchase is made.

The Indenture contains provisions for defeasance at any time of the entire indebtedness of this Note or certain restrictive covenants and Events of Default with respect to this Note, in each case upon compliance with certain conditions set forth in the Indenture.

If an Event of Default with respect to Notes of this series shall occur and be continuing, the principal of the Notes of this series may be declared due and payable in the manner and with the effect provided in the Indenture.

Subject to certain exceptions, the Indenture or the Notes of any series thereunder may be amended or supplemented pursuant to Article 9 of the

Base Indenture.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and any premium and interest on this Note at the times, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Note is registrable in the Security Register, upon surrender of this Note for registration of transfer at the office or agency of the Company in any place where the principal of and any premium and interest on this Note are payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by, the Noteholder hereof or his attorney duly authorized in writing, and thereupon one or more new Notes of this series and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

---

C-8

The Notes of this series are issuable only in registered form without coupons in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. As provided in the Indenture and subject to certain limitations therein set forth, Notes of this series are exchangeable for a like aggregate principal amount of Notes of this series and of like tenor of a different authorized denomination, as requested by the Noteholder surrendering the same.

No service charge shall be made to a Noteholder for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Note for registration of transfer, the Company, the Trustee, the Paying Agent and any agent of the Company or the Trustee may treat the Person in whose name this Note is registered as the owner hereof for all purposes, whether or not this Note be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

To the extent any provision of this Note conflicts with the express provisions of the Indenture and those other provisions forming a part thereof with respect to the Notes, the provisions of the Indenture and such other provisions with respect to the Notes shall govern and be controlling.

The Notes are subject to redemption, in whole or in part, at any time, upon not less than 30 nor more than 60 days’ notice sent to each Noteholder of Notes to be redeemed at such Noteholder’s address as it appears in the Securities Register:

(A) on any date prior to the Make Whole Call Date at a Redemption Price equal to the greater of (i) 100% of the principal amount of such Notes to be redeemed or (ii) the sum, as determined by a quotation agent appointed by the Company, of the present value of the remaining scheduled payments of principal and interest on the Notes to be redeemed if such Notes matured on the Make Whole Call Date (excluding any portion of such payments of interest accrued as of the Redemption Date), discounted to the Redemption Date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the applicable Adjusted Treasury Rate, plus the Applicable Spread, plus, in each case, accrued and unpaid interest thereon, to, but excluding, the Redemption Date; and

(B) on and after the Make Whole Call Date, at a Redemption Price equal to 100% of the principal amount of the Notes then outstanding to be redeemed, plus accrued and unpaid interest thereon, to, but excluding, the Redemption Date;

*provided* that unless the Company defaults in payment of the Redemption Price, on or after the Redemption Date, interest will cease to accrue on the Notes or portions thereof called for redemption.

D-6

---

The Notes do not have the benefit of any sinking fund obligations.

If less than all of the Notes are to be redeemed, the Notes to be redeemed shall be selected by the Trustee pro rata or by lot, but consistent with any applicable listing standards. In the event of redemption of Notes in part only, a new Note or Notes of like tenor of the unredeemed portion thereof (which shall not be less than the minimum authorized denomination for the Notes) shall be issued in the name of the Holder thereof upon cancellation thereof.

If a Change of Control Repurchase Event with respect to the Notes occurs, unless the Company has exercised its right to redeem all the Notes, the Company shall make an offer to each Noteholder of the Notes to repurchase all or any part (in integral multiples of \$1,000) of that Noteholder’s Notes at a repurchase price in cash equal to 101% of the aggregate principal amount of Notes repurchased plus any accrued and unpaid interest on the Notes repurchased, to, but excluding, the date of repurchase. Within 30 days following any such Change of Control Repurchase Event or, at the Company’s option, prior to any Change of Control, but after the public announcement of an impending Change of Control, the Company shall send a notice (a “Change of Control Notice”) to each Noteholder, with a copy to the Trustee, describing the transaction or transactions that constitute or may constitute the Change of Control Repurchase Event and offering to repurchase the Notes on the payment date specified in the Change of Control Notice, which date will be no earlier than 30 days and no later than 60 days from the date such Change of Control Notice is sent. The Change of Control Notice shall, if sent prior to the date of consummation of the Change of Control, state that the offer to repurchase is conditioned on the Change of Control Repurchase Event occurring on or prior to the payment date specified in the Change of Control Notice.

The Company shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder, to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control Repurchase Event. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control Repurchase Event provisions of the Notes, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under the Indenture by virtue of such conflict.

On the Change of Control Repurchase Event payment date, the Company shall, to the extent lawful, with respect to the Notes:

(A) accept for payment all Notes or portions of Notes (in integral multiples of \$1,000) properly tendered pursuant to the Company’s offer (“Tendered Notes”);

(B) deposit with the Trustee a cash amount in immediately available funds equal to the aggregate repurchase price in respect of all Tendered Notes; and

(C) deliver or cause to be delivered to the Trustee the Tendered Notes, together with an officers' certificate stating that such Tendered Notes have been properly accepted by the Company and stating the aggregate principal amount of Tendered Notes being purchased by the Company.

---

D-7

The Paying Agent shall promptly transmit to each Noteholder of Tendered Notes the repurchase price for the Tendered Notes, and the Trustee shall, to the extent necessary, promptly authenticate and deliver (or cause to be transferred by book-entry) to each such Noteholder a new note equal in principal amount to any unpurchased portion of any Tendered Notes; *provided* that each new note will be in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

The Company shall not be required to make an offer to repurchase the Notes upon a Change of Control Repurchase Event if a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for an offer made by the Company and such third party purchases all Notes properly tendered and not withdrawn under its offer. In addition, the Company shall not be required to make an offer to repurchase the Notes upon a Change of Control Repurchase Event if the Notes have been or are called for redemption by the Company prior to it being required to deliver notice of the Change of Control Repurchase Event, and thereafter redeems all Notes called for redemption in accordance with the terms set forth in such redemption notice.

Notwithstanding anything to the contrary contained herein, a revocable offer to repurchase the Notes upon a Change of Control Repurchase Event may be made in advance of a Change of Control Repurchase Event, conditioned upon the consummation of the relevant Change of Control Repurchase Event, if a definitive agreement is in place for the applicable Change of Control at the time such offer to repurchase is made.

The Indenture contains provisions for defeasance at any time of the entire indebtedness of this Note or certain restrictive covenants and Events of Default with respect to this Note, in each case upon compliance with certain conditions set forth in the Indenture.

If an Event of Default with respect to Notes of this series shall occur and be continuing, the principal of the Notes of this series may be declared due and payable in the manner and with the effect provided in the Indenture.

Subject to certain exceptions, the Indenture or the Notes of any series thereunder may be amended or supplemented pursuant to Article 9 of the Base Indenture.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and any premium and interest on this Note at the times, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Note is registrable in the Security Register, upon surrender of this Note for registration of transfer at the office or agency of the Company in any place where the principal of and any premium and interest on this Note are payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by, the Noteholder hereof or his attorney duly authorized in writing, and thereupon one or more new Notes of this series and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

---

D-8

The Notes of this series are issuable only in registered form without coupons in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. As provided in the Indenture and subject to certain limitations therein set forth, Notes of this series are exchangeable for a like aggregate principal amount of Notes of this series and of like tenor of a different authorized denomination, as requested by the Noteholder surrendering the same.

No service charge shall be made to a Noteholder for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Note for registration of transfer, the Company, the Trustee, the Paying Agent and any agent of the Company or the Trustee may treat the Person in whose name this Note is registered as the owner hereof for all purposes, whether or not this Note be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

The Company has caused CUSIP and ISIN numbers to be printed on the Notes of this series and the Trustee or Registrar may use CUSIP and ISIN numbers in notices of redemption or offers to repurchase as a convenience to Noteholders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption or offer to repurchase.

All terms used in this Note which are defined in the Indenture shall have the meanings assigned to them in the Indenture.

THE INDENTURE AND THIS NOTE SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

We, as your counsel, have examined originals or copies of such documents, corporate records, certificates of public officials and other instruments as we have deemed necessary or advisable for the purpose of rendering this opinion.

In rendering the opinion expressed herein, we have, without independent inquiry or investigation, assumed that (i) all documents submitted to us as originals are authentic and complete, (ii) all documents submitted to us as copies conform to authentic, complete originals, (iii) all signatures on all documents that we reviewed are genuine, (iv) all natural persons executing documents had and have the legal capacity to do so, (v) all statements in certificates of public officials and officers of the Company that we reviewed were and are accurate and (vi) all representations made by the Company as to matters of fact in the documents that we reviewed were and are accurate.

Based upon the foregoing, and subject to the additional assumptions and qualifications set forth below, we advise you that, in our opinion, when the Securities have been duly executed and authenticated in accordance with the provisions of the Indenture and delivered to and paid for by the Underwriters pursuant to the Underwriting Agreement, the Securities will constitute valid and binding obligations of the Company, enforceable in accordance with their terms, subject to applicable bankruptcy, insolvency and similar laws affecting creditors' rights generally, concepts of reasonableness and equitable principles of general applicability, provided that we express no opinion as to (x) the enforceability of any waiver of rights under any usury or stay law or (y) the validity, legally binding effect or enforceability of any provision that permits holders to collect any portion of stated principal amount upon acceleration of the Securities to the extent determined to constitute unearned interest.

We are members of the Bar of the State of New York and the foregoing opinion is limited to the laws of the State of New York, except that we express no opinion as to any law, rule or regulation that is applicable to the Company, the Documents or such transactions solely because such law, rule or regulation is part of a regulatory regime applicable to any party to any of the Documents or any of its affiliates due to the specific assets or business of such party or such affiliate.
